or 012 841 3772 / 3926

### Topics will include:

- Sustainable consumption and production
- Sustainability and carbon reporting
- Green Finance
- Green skills development

### About the NCPC-SA

The NCPC-SA is a national programme that promotes the uptake and implementation of resource efficient and cleaner production (RECP) in industry to ensure sustainability, growth and reduced environmental impact in the manufacturing and related sectors.

*The NCPC-SA is a programme of the Department of Trade and Industry (the dti) hosted by the CSIR.*
